

Clinical Outcomes Research Initiative

National Endoscopic Database

Publication Agreement

I, the undersigned investigator, agree that any publication or abstract which uses data derived from the CORI-National Endoscopic Database (CORI-NED) will be submitted to the CORI-NED Steering Committee for review and approval, **prior to** submission for publication.

I understand that abstracts must be submitted no later than 90 days prior to the abstract submission deadline.

Manuscripts and abstracts must acknowledge the CORI-NED.

Abstracts: may include CORI Consortium in the author line or as an acknowledgement at the end of the abstract

Publication: Acknowledge CORI-NED as follows:

The data in this manuscript were obtained from the Clinical Outcomes Research Initiative National Endoscopic Database (CORI-NED), with support from National Institutes of Health (NIDDK) U01-DK57132-01.
